INSTITUTE FOR CHRISTIAN MINISTRY

The Institute for Christian Ministry (ICM) is a training arm for Trinity Annual Conference (TRAC) which began in March 2008 with the aim of strategically consolidating the training needs of the TRAC churches in the areas of spiritual formation, leadership development and practical skills for ministry. We are committed to building the life of God's people and their leaders for the long haul in ministry and a deepening life in Christ. ICM seeks to develop courses that are relevant, integrated and practical to meet the needs of the local churches and the conference. We pray that these equipping avenues will 'prepare God's people for works of service, so that the Body of Christ may be built up until we reach the unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.' (Eph 14:12-14).

The ICM 2011 brochure presents various equipping and renewal opportunities for you, your leaders and your congregation. ICM invites you to set aside, as part of your regular rhythm of life in Christ, time for the renewing and strengthening of your soul, spirit and body. Consider carving out time for a more intentional soul work through a retreat or through an experiential spiritual formation program for 2011.
