

# Christian Vocation Series 2011

*Gives me time to think, ponder, consider and pray.  
What's important is to know who am I and where  
I can fit into God's picture.*

*God spoke clearly...enjoy spending time in silent  
reflection.*

*Terrifying to know how few the workers were in  
TRAC churches. The need made known is a great  
eye opener.*

*Discovered gifts/abilities that I wasn't aware of.*

*It broadened my views on ministry possibilities.*
