Speaker: Lim Jit Pang

The theme "Your Sons & Daughters Will Prophesy" is to stress the importance of raising a generation of young people who are prophetic in character (able to impact their own generation as their lives are transformed) but with the family factor in it (use of terms "Sons" and "Daughters").

Speaker: Lim Jit Pang

Jit Pang, surfed his way back home from Hawaii in December 2002 after more than a decade there. He believed then that it was a short sojourn in the land of the Kluang kopitiams. Instead, it evolved into a series of endless exciting excursions, many of which involved the youth and one in particular altered his marital status from “supremely single” to “magnificently married.”

He is committed to discipling young people into a generation of Christ followers who are not ashamed of the Gospel, radically living out loud their faith and in turn, will TRANSFORM this nation and beyond for Christ. He tells his young people that if they are not fulfilling their responsibility at home, their involvement in church would be in question. He sees the parents of the youths and him as being on the same side of the equation in youth work.

Recently, he has been spearheading a project called, "I LOVE Kluang" – a project that is entirely run by young people in reaching out to the poor and needy.

A coffee and roti bakar lover. He is happily married to Puteri Ho Li Poh and have 2.5 kids – Caysha Iwalani and Eaden Kapono."
