## *Our mission*

Is to transform lives  
through the power of a calling  
and cultivate an ecology  
of calling by partnering with the  
local church; inviting young  
people to explore God's  
call through community,  
mentoring relationships and  
dynamic learning experiences;  
and releasing them back to their  
congregations better prepared  
for future Christian leadership.

***And we know that in all things  
God works for the good of those  
who love him, who have been  
called according to his purpose.  
For those God foreknew he also  
predestined to be conformed to  
the image of his Son, that he  
might be the firstborn among  
many brothers and sisters. And  
those he predestined, he also  
called; those he called, he also  
justified; those he justified, he  
also glorified.***
